

Broadway Bound **Center for Performance & Dance** *Reopening Guidelines*

Studio Sanitation

- We have worked closely with a health inspector to ensure every room was cleaned and sanitized to meet guidelines
- All class rooms and common surfaces (including banisters, barres, door knobs, light switches, etc.) are wiped down and sanitized every day upon conclusion of all events

Health Safety Upon Arrival

- Students will enter in a staggered fashion
- Students will text and be allowed in one by one to avoid cluster at the door
- Each student's temperature will be taken at the door upon arrival
- Students will sanitize at the door upon arrival and be sent to the restroom to wash their hands
- Shoes are taken off at the downstairs landing and dance shoe soles are sanitized before rehearsal
- Lunch should be brought in a disposable bag
- Visitors **NOT** allowed indoors during rehearsal
- Please allow us or your child to text you before students are dismissed

Classroom Adjustments

- All instructors **will** be wearing masks
- It is not required (currently) for students to wear masks but **STRONGLY RECOMMENDED**
- Face shields are recommended while singing
- A grid system of dots reflective of the 6 feet distancing guideline are placed on the floor for children to follow
- Students will be rotated in smaller groups to avoid being too close together
- Students **must** bring their own water
- There is an isolation area set up for students who do not feel well to wait for pick up

Please Stay Home If...

- Student feels ill in any form (especially with cough, fever, or other potential COVID-19 symptoms)
- Any member of a student's family is ill
- Student or family member have been exposed to someone that tested positive for COVID-19
- **If a student is sick with COVID-19 they will be unable to complete the program**

***Please take the ADA COVID-19 assessment at [ADA.com](https://www.ada.com)
First step is at home with an assessment by you.***
